[Panangalli Katha](#) Panangalli Katha () is a 1986 Indian Tamil-language film, directed by M. Ranganathan and produced by K. V. Jayaram. The film stars Sivaji Ganesan and Hema Sundar in lead roles, with Ambika, Chandrashekhar, V. K. Ramasamy, V. S. Raghavan, Meenakshi, Goundamani, K. R. Savithri and R. S. Manohar in supporting roles. It was the 859th film of Sivaji Ganesan and the 563rd of Hema Sundar. Plot Sivaji Ganesan plays a wealthy businessman who goes on a trip to Switzerland with his friend T. R. Ramachandran and his wife. There, they meet Chandramohan (Chandrashekhar) and his wife Devika (Hema Sundar), who are also on the same trip. Ganesan falls in love with Chandramohan's wife, but his wife, Meenakshi, a dance teacher, refuses to marry him because she wants her daughter's (Hema Sundar) hand in marriage. Ganesan also falls in love with Meenakshi's friend, who happens to be a dancer. After several

What's New In?

Open and Save Files Utility is an Excel add-in file. This program adds a new menu item in the Tools menu called "Open and Save Files". When installed, a new menu item is added to the Tools menu called "Open and Save Files". Using this menu item, you can Open a file, Save a file, then Close the file. Using the drop down list of the menu item, you can select which files to be opened or saved, and which files to be closed. For example, if you select the following files, the files "Excel.xlsx", "Excel.xls", and "Excel1.xlsx" would be opened. If you selected the file "Excel2.xlsx", the file "Excel2.xlsx" would be

opened. If you select a folder and select "Open" from the menu item, the files in the folder would be opened. If you select "Save", the selected file would be saved. If you selected a folder, the selected file would be saved in the folder. If you select "Close", the file would be closed. If you select "Delete", the selected file would be deleted. Useful for updating multiple Excel files at once. `.as-alert { width: 100%; padding-top: 5px; } %UserName% ???? ???????:`
