What's interesting is that when you go to New Zealand/Australia, they use "wilderness" and "national park" to refer to the same thing. --- remx Right. I was surprised by the American reading here. ----- dang Discussed at the time: [We changed the URL from the original story title to the title of the source article: [----- chromaton A more comprehensive documentary film, "The Wilderness: A Journey Into the Blue Mountains", is online: [----- webwielder2 What a misleading title. I thought it was about the US Wilderness Act and how it changed things for the better. --- xorcist That
