Newsletter Nov 2016 Magazine Nov 2016 Â· Navi-Trainer Professional Series, manufactured by Transas Marine. will be the one to take theÂ .Introduction:Over the course of your career, like every other Marine, you'll want to gather a meaningful collection of dress uniforms. The art of tailoring is an invaluable skill. Dress uniforms are generally what we wear to work, as it's the normal uniform, it's what everyone expects you to wear and that would look out of place in a different environment. This post is not about the pros and cons of tailoring, I am a big fan. I feel like it gives a professional look to every Marine. This post is about making your own dress uniform. I have tried most of the garments on this list, but never tried the ones labeled "C.". I've also removed everything that I consider "clumsy" or "clunky". Clothing Cost: The base cost of a dress uniform is approximately 1,000 dollars, however, it can cost almost 4,000 dollars depending on the vest you choose, and its accessories. Ease of
