Storytelling videos. Follow us on: Facebook: Twitter: Instagram: The greek phrase "Live well, die well" can be said about any profession. What I mean by this is that whatever you do, you are still going to die someday, or you will be dead. As always, I learned a lot about my mother's life and her death from our conversations (all if my recordings) and I have decided to put it down on my blog so that people can take away something from my memories of her. This is her story. Enjoy :) My Mother is Dead Behind the Beautiful Smile My mother is dead. She is gone, vanished without a trace. I put away my guitar She's dead. I can't go on with this shattered life I've lost all of the light in my life This is my story of my life and my feelings. She lost her life and left me alone in the world. If there is anyone out there that has lost someone close to them and feels like they can relate please let me know. It may be just one person that can help me through my time of mourning. Thank you. The right man? Someone who loves you for who you are, someone who makes sure you live, someone who helps you stand tall and gives you the strength to fight your way through this world. Is this the right man for you? She needed a way to escape the nightmares of her past and to find answers as to why she was chosen to play such a vital role in this whole human struggle. As well as, she needed to find a way to reunite with her husband and to somehow compensate
