Golden Eye 4.50.rar.Q: Kendo UI Mobile API and Scripts not loading I'm trying to implement a Kendo UI Mobile with Ionic for my AngularJS app. At first, I did the tutorial found here. But when I tried the Kendo's, it wasn't showing the script files. I did the same with my app. When I tried to load one of the examples, the scripts for the kendo's weren't showing either. What could be wrong with my setup? A: I figured it out... I was loading the files in the wrong order. Below is the correct order for all the stuff: The two are expected to take part in a high-profile event in Jakarta on Nov. 19 where they will announce a new "neighborhood" program that will feature Chinese products from furniture to biscuits to toothpaste. With President Xi Jinping\*
