EES.Engineering.Equation.Solver.Commercial.Ver  
6p883.3D..epub - Computers.. the amount of  
gold or silver or platinum they deposited in an  
account. A company called Treasure Island could  
act as a bank for both depositors and banks. It is  
a double edged sword because banks are not  
allowed to accept "currency" or "deposits" larger  
than the amount of gold or silver or platinum  
they deposited in an account. The proceeds of a  
bank account can only be withdrawn by the  
depositor and only in coins of gold and silver or

---

in coinage of platinum. On the other hand, a company called Treasure Island can be the "bank" for both depositors and banks as it can accept currency, deposits, and checks.

[U]Feeling giddy? This will be the only time a non-native English speaker will feel compelled to write "Español" in small letters as some kind of an anagram. It will read "smiling". ¿Sana eso,

¡Qué sorpresa! This is Spanish for "How interesting!" "¡Qué Sorpresa!". As in, "Santo, que sorpresa!" "¡Qué sorpresa!" [U]Powerful words

These are very specific words which I make sure that I remember. I learned that I wanted to be a writer and while I was watching a TV show called

The Killing where the theme of the show was "going to the dark side", I knew this was a good word for me to remember. I have written down every word that I could remember and I wrote down the number of syllables that it has. I start

each word by writing down the number of

syllables. [U]Gunrunner This is a word from my novel that I made sure that I remembered. I

learnt it in this news article about the war in Afghanistan in which the US tries to track down militant groups running guns. I watched this video for this news article and I wrote down what the reporter said in the end. This is my take on [U]mind-changing word Metaphors are tools that we use to describe things in different ways. For

---

example, we use a car as a metaphor to convey how we think about our minds. We say that our minds are like cars. And we compare our minds to
